International Symposium cum Workshop -Ecosystem-based Management and Biodiversity Conservation in Forestry for Asia-Pacific

Date and venue: 5 – 8 December 2011, Bogor and Yogyakarta, Indonesia

This symposium will provide a scientific platform for both researcher and practitioners to discuss the state of the art and the necessary direction of research on sustainable forest management and biodiversity conservation in their respective countries of Asia-Pacific.

The Symposium is jointly organised by the Centre for Tropical and Subtropical Agriculture and Forestry (CeTSAF), Georg-August University Gottingen, Germany; University of Dresden, Tharandt, Germany and The Asia-Pacific Association of Forestry Research Institute (APAFRI) on behalf of the Bogor Agricultural University (IPB) and the Faculty of Forestry of the Gadjah Mada University Yogyakarta (UGM) of Indonesia. The symposium will be held in Bogor and Yogyakarta, Indonesia, with the financial support from the German Academic Exchange Service (DAAD).
