Don't Give Up

The moment you're ready
to quit is usually
the moment right before
a miracle happens.
don't give up.

Thought of The Day

"The body travels more easily than the mind,
and until we have limbered up our imagination,
we continue to think as though we had stayed home.
We have not really budged a step
until we take up residence
in someone else's point of view."
