End Year Thanks

At the end of this year.....
Thanks to those who hated me.
They made me a strong person.

Thanks to those who loved me.
They made my heart bigger.

Thanks to those who were worried about me.
They let me know that they cared for me.

Thanks to those who left me.
They made me realize that nothing lasts forever.

Thanks to those who entered my life and never left.
They made me who I am today.

Special thanks to all my dear friends
who supported me through out the year.
