Tomorrow

TOMORROW

Tomorrow will be a brand new day
To give us a chance once more
To erase the mistakes that we made
Getting a chance to better our score.

Tomorrow we need to take time
Using knowledge that we gained
Living our lives as best we can
To become what God ordained.

Tomorrow we cannot relive or change
What happened yesterday
Today we are given a chance
To give thanks to GOD as we pray.

Tomorrow we must remember
When trouble comes our way
To enjoy all GOD's blessings
And the beauty of His new day.

"May the blessings we receive today
make us a better person tomorrow".
