Teaching

1. Agricultural Mechanization System and Management (Sistem dan Management Mekanisasi Pertanian) - undergraduate
2. Engineering Economics (Ekonomi Teknik) - undergraduate
3. Engineering Design (Rancangan Teknik) - undergraduate
4. Agricultural Informatics (Teknik Informatika Pertanian) - undergraduate
5. Agricultural System Engineering (Teknik Agrosistem) - postgraduate
6. Agricultural Mechanization Strategy (Strategi Mekanisasi Pertanian) - postgraduate
7. Optimization Techniques (Teknik Optimisasi) - postgraduate
8. DSS for Natural Resource Management - postgraduate
