

Boulevard

Boulevard

by **Dan Byrd**

album: Boulevard

I don't know why
You said goodbye
Just let me know
You didn't go
Forever my love
Please tell me why
You made me cry
I beg you please
I'm on my knees
If that's what
You want me too

Ne..ver knew
That it would go so far
When you left me
On that Boulevard
Come...again
You would release my pain
And we could
Be lovers again
Just one more chance
Another dance
And let me feel
It isn't real
That I've been losing you
The sun will rise
With in your eyes
Come back to me
And will be
Happy together

Ne..ver knew
That it would go so far
When you left me
On that Boulevard
Come...again
You would release my pain
And we could
Be lovers again
May be today
I'll make you stay
A little while
Just for a smile
In love together
For I will show
A place I know
In Tokyo where we can be
Happy forever
