

## Boulevard

Boulevard

by **Dan Byrd**

album: Boulevard

I don't know why  
You said goodbye  
Just let me know  
You didn't go  
Forever my love  
Please tell me why  
You made me cry  
I beg you please  
I'm on my knees  
If that's what  
You want me too

Ne..ver knew  
That it would go so far  
When you left me  
On that Boulevard  
Come...again  
You would release my pain  
And we could  
Be lovers again  
Just one more chance  
Another dance  
And let me feel  
It isn't real  
That I've been losing you  
The sun will rise  
With in your eyes  
Come back to me  
And will be  
Happy together

Ne..ver knew  
That it would go so far  
When you left me  
On that Boulevard  
Come...again  
You would release my pain  
And we could  
Be lovers again  
May be today  
I'll make you stay  
A little while  
Just for a smile  
In love together  
For I will show  
A place I know  
In Tokyo where we can be  
Happy forever
